Ausdance SA provides a range of professional learning options.

1. We have a range of events that teachers can access. We cater for generalist non-dance teachers through to experienced dance teachers and address the needs of early childhood, primary, secondary and private studio contexts.
2. We can come directly to schools and private dance studios to work with teachers.
3. We can provide workshop for school clusters at your site or at our studio.

### Professional Learning Events

- **The Ausdance skill set for teaching dance** is the ideal program to develop the skills and confidence for delivering fun, safe and educational dance in your school or studio. This 10 day program provides teachers wishing to up skill in the area of teaching dance with the knowledge and strategies to teach dance in a variety of settings. Participants will receive a Statement of Attainment which is nationally recognised. Enrolments required by 9 February, training commences Sunday 15 February across a range of Sundays in term 1 & 2.

- Ausdance SA presents a variety of dance focused workshops at the ACHPER SA Health & Physical Education events: State Conference 13-15 April, Primary Conference 21 September and Secondary Conference 30 November - 1 December.

- **CEASA Australian Curriculum Arts Focus Conference.** Discussions and practical workshops across the five art forms relating to the new Arts Curriculum. Date and location to be confirmed. For more information and the release of 2015 dates visit [www.ceasa.asn.au](http://www.ceasa.asn.au)

- **Dance Teachers Day**, Monday 7 December, Adelaide College of the Arts, Light Square Adelaide. This is a full day of practical workshops, discussions, resource sharing and networking opportunities. Workshops cater to dance and non-dance teachers in schools and private studios. The program and registration forms will be launched in week 1, term 4.

### Professional Learning for School's - Dance Education in the Curriculum

Site visits provide up to date professional learning relevant to the Australian Curriculum and SACSA Framework such as:

- Professional learning alongside our Dancers in Schools program with students
- Professional learning for individuals, small or large groups i.e. school clusters
- Professional learning designed to address specific curriculum requirements for:
  - The Arts, through the strands ‘making and responding’
  - The Health & Physical Education strand ‘movement and physical activity’
- Assistance in how to integrate dance with other learning areas
- Assistance in understanding safe dance practice, including fun ways to warm up, safe stretching and clever cool downs
- Assistance in learning how to create choreography or how to facilitate student driven choreography.

The Ausdance SA Dancers in Schools program offers your students a unique opportunity to learn from an experienced dance artist. Workshops are structured with one dance artist per class ensuring a high quality, personalised learning experience. Our workshops can be designed to address specific curriculum requirements for:

✓ The Arts, through the strands ‘making and responding’
✓ The Health & Physical Education strand ‘movement and physical activity’

We can tailor a dance program to suit the needs of your school, students and staff.

✓ We also cater for Pre-school, Kindergarten, OSHC and vacation care
✓ 60-90 minute sessions, 2 x 60 minute sessions, half/whole day bookings
✓ Inclusive practices sensitive to gender and special needs
✓ We visit metropolitan and regional sites
✓ Ausdance city studio available for school excursion workshops
✓ A wide range of dance styles and techniques on offer

**The Premier’s Be Active Challenge**
Include dance as part of your strategy to meet the requirements of the challenge. We can provide you with a fun health hustle or you can select from the programs listed below.

**Ausdance Studio Workshops**
If you do not have a dance space, are planning a city based excursion or are coming from a regional area, consider coming to the Ausdance studio off North Tce, Adelaide for your choice of workshop. 

**Moving Art Workshops**
This excursion at the Adelaide Festival Centre guides students through an investigation of the permanent art collection surrounding the Festival Centre. Professional dance educators lead students through a creative dance workshop based around their visual art experience.

**Popular Dance Workshops**
Our team of highly trained, professional hip-hop/street dance/funk and break dance artists will teach your students how to safely perform these current dance styles. Our artists are able to cater their workshops to suit primary and secondary students.

**Creative Dance Workshops**
These workshops cater for pre-school to secondary students. Our artists take your students through a range of games, tasks and exercises that help them to physically express themselves and discover the joy of dance. These workshops are fun, packed with curriculum links and are guaranteed to get your students moving and grooving!

**Cultural Dance Workshops**
We offer a wide range of indigenous and international dance styles. These are a fantastic way to explore and broaden student’s understanding of a culture through music and movement.

**Choreography for Performance Outcomes**
We can provide you with professional dance educators to choreograph your next school concert, musical, assembly item, Rock Eisteddfod or Wakakiri item.

**SACE & IB Dance**
Our dance artists can provide workshops for dance technique, stretching & conditioning, physical theatre, composition, partnering & lifting and moderation/performance choreography.

**Regional Tours**
We visit individual schools and can prepare tours to service several schools in a region. Please contact us if you wish to participate.
